Hello all, I am Pavankumar BM I am a highly motivated BCA student with a strong academic background in computer science. Demonstrated passion for technology and a keen interest in solving complex problems. Proficient in programming languages such as C, Java, and C#, with a focus on application development and design. Well-versed in database management and web development. Committed to staying updated with emerging trends and advancements in the field. Seeking an opportunity to apply my technical knowledge and contribute to a forward-thinking organization in the realm of computer science.
